DETAILED ACTION

Reason for allowance

1. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests a method of producing a group III nitride compound semiconductor device, comprising: forming a buffer layer of AlN by a sputtering method on a sapphire substrate at a temperature not lower than 400°C.; and forming a group III nitride compound semiconductor layer by a metal organic chemical vapor deposition method on buffer layer while heating sapphire substrate as recited in claim 15; and a step of forming a first group III nitride compound layer on a substrate by a method not using metal organic compounds as raw materials; forming a second group III nitride compound semiconductor layer on first group III nitride compound layer as recited in claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
